

User Experience at COSA

Want to get involved in UX but don't know where to start? Join the User Experience at COSA channel on Microsoft Teams! We have members from departments all over the City. Get advice from experts and practitioners, and chat with others who are new to UX.

Community of Practice

Our weekly Community of Practice meetings cover a wide range of topics, including:

- User experience
- Accessibility
- Agile methodology
- Research and testing
- Successes and accomplishments

Meetings are held every Wednesday at 10 am on Teams.

Scan the QR code to access the channel and join our growing community!
